### Something Personal

I was born January 21, 1953 in Chicago, Illinois, the third of four children. Although involved in Sunday School, church camps, and youth groups, I met Jesus through a football teammate in high school. Being a pastor was not a part of my plan for life until my freshman year in college when God tapped me on the shoulder.

Marilyn and I were married on December 26, 1993, here in Las Vegas. We have four grown children. I am an bicycling enthusiast and enjoy riding the Red Rock Loop. Marilyn is the Corporate Vice President of Compensation for MGM Mirage Resorts and is knitting prayer shawls for hospital patients.
